Backline requirements

Power

MEHDI CHAMMA GROUP requires at least five (6) 230V/16A Schuko-Sockets for the Guitar Pedal Board, Pedal Switcher, Guitar amp, Nord Piano/Nord Stage, Bass amp, effects pedal board.

Guitar & Guembri

The guitarist / Guembri player will bring his own electric Guitar and Guembri. Please provide two (2) Guitar stands and a Guitar amp in good condition (**Fender Twin Reverb, Fender Deluxe reverb or sim**).

In case there is other Amplifiers please contact
Contac@mehdichamma.com

Keyboard

If travel options permit, the pianist will additionally use his own Nord Stage3 (**no internal speakers**) placed on his own keyboard stand. If travel options do not permit taking his Nord Stage 3 and/or his keyboard stand, please provide a Nord Piano/Nord Stage in good condition and/or a keyboard stand.

Bass

The bassist will bring his own electric bass. Please provide a bass stand and a bass amp in good condition (**Mark Bass, Rheingold or sim.**)

If the bassist is not able to bring his own bass due to travel options, please provide an electric bass with 4 strings in good condition (**Fender Jazz Bass**).

If travel options permit, the bassist will bring his own effects pedal board.

Drums

Please provide a Drum set in good condition including an adjustable seat. The drummer will bring his own cymbals.

- - Bass Drum Pedal
- - Hi-Hat-Stand

Preferences: Yamaha / Alternative: DW or Tama.

Microphone and cable requirements

Please provide 1 Microphones (**Shure SM58** or sim.) for the main Vocal.For

Drum set please provide at least 4 microphones

Overheads (**2x AKG C414 EB** figure of eight or sim.) Bass Drum (**1x AKG D 112** or sim.)

Snare (**1x Shure SM57** or sim.)

The Guitar/Guembri and bass player will bring their cables for their own electric Guitar, Guembri, bass and effects pedal board.

Please provide cables for the microphones, line signals and all other instruments.
Please also supply DI boxes and the necessary XLR cables for the Nord Piano/Nord Stage.

PA, FOH and monitor requirements

Please provide 7 stage monitors in total - 1 stage monitor (**d&b M6 or sim.**) for each player as the stage plot requires (2 for Mehdi Chamma)

Depending on the locations size please provide a high-quality PA (**d&b Y-7p or E8 or sim.**).

Please keep in mind, that the PA should be used carefully for sound reinforcement as well as amplification.

Small locations (<50 PAX) do not need any sound reinforcement, just an amplification of the Nord Stage, the Moog Sub 25 and Electric Guitar amp and Bass Guitar Amp.

In locations with 50 - 200 PAX the Drums additionally need a slight sound reinforcement to get the most organic sound.

In locations with more than 200 PAX and open-air locations MEHDI CHAMMA GROUP additionally needs a full sound reinforcement (**d&b Y-series, J-series or sim.**). Please make sure to do this as organic as possible.

Hospitality / Catering Rider

Transportation

If needed, please provide or book transport from the train station/bus station/airport to and from the location as well as the potential accommodation.

In case of arriving by car, please provide a parking spot free of charge in front of or near the location.

Accommodation

If needed, please provide or book an accommodation (***, 6 single rooms) nearby for the necessary number of days and, in case of arriving by car, a parking spot free of charge in front of or near there.

On stage

Please provide 6 small bottles of water (natural, no gas) and 6 fresh towels.

Backstage

Please provide a private bathroom and, if possible, a shower. The backstage area should be in a good condition and lockable.

Please provide cold and warm catering (sandwiches, fruits, snacks/sweets, warm dinner) as well as cold and hot drinks for 6 people 1-2 hours before the concert (beer, wine, water, juices, coffee/tea)
